| Khushwant Singh | Chauhan       |
| Sergio Enrique  | Cruz Lopez    |
| Mediya          | Etemadi       |
| Francesca       | Grazian       |
| Amin            | Hodaei        |
| Guang           | Hu            |
| Jieke           | Jiang         |
| Bram            | Kieskamp      |
| Raheleh         | Mohammadpour  |
| Anne            | Rikhof        |
| Salomé          | Sanchez       |
| Wenli           | Shi           |
| Zeynep          | Uykun         |
| Henk-Jan        | van den Brink |
| Bart            | van der Vaart |
| Malte           | Vogt          |
| CHUNG YU        | YEH           |
| Marta           | Zagorowska    |
| Tingting        | Zhu           |

The pitch session starts at 14:30, chaired by [Elham \(Eli\) Shirazi](#). We provide a template for PowerPoint slides to support your pitch in visual aid, but this is not required. [Template can be found here](#) in “Downloads”. All participants are ordered in alphabetical order of last names and are given 2min per pitch.

Don't forget to send your pitch slide to [4tu.energy@4tu.nl](mailto:4tu.energy@4tu.nl) **before 12:00 on 2 April**, earlier = better! So we can put your slide into the folder for screen projection to facilitate a smooth session. By sending your slide you give a consent that we can publish your slide on the 4TU.Energy website after the event, to introduce you to the public. If you don't give the consent, please indicate specifically in the email.

By the end of session “Pitch your research”, everyone as audience is encouraged to finish the vote for a best pitch and the winner will be announce at 17:00 receiving a reward!

If you have questions, please let us know 😊
