

4TU.NIRICT & 4TU.Energy Joint Calls for Funding 2025

Context scoring matrix

This scoring matrix is meant to guide reviewers/screening committee in assessing the proposals for the 4TU.NIRICT & 4TU.Energy joint call for funding. On the basis of this matrix, each reviewer gives at every subject a score of 1(lowest) to 10 (highest), linked to the extent to which a proposal lives up to the requirements per criteria. In addition, a reviewer may give a written explanation of each criterion in the comment field.

The criteria listed below serve as a guide for the reviewers and has no intention of giving a complete overview of possibilities.

The screening committee will then judge the proposals with the help of the scoring matrix below provided by reviewers.
