WHAT IF I CAN'T DO IT?

INSPIRATION

'EMPOWERING ENTREPRENEURSHIP'

Starthub is the student incubator of Wageningen. A meeting place for all (PhD) students interested in entrepreneurship. Starthub offers support for students who want to develop their entrepreneurial skills. This can be very low key via trainings, but we can even guide you from developing a business idea and realize this idea into your own company! Drop by and meet the Starthub community at Vrijde Polder 1, Wageningen Campus or contact us online if you are interested.

STARHUB'S PROGRAM

You can join or
leave anytime

PERIOD 1: INSPIRATION

Get inspired, listen to stories of change makers, take part in discussions and discover the entrepreneur in yourself at Starthub.

PERIOD 2: IDEATION

During ideation you learn to use the tool-kit of an entrepreneur, play with your ideas and perhaps even start your own business!

PERIOD 3: REALISATION

We help you realise your own start-up, develop your entrepreneurial skills and make an impact!

IF NOT NOW, WHEN?
