

Call for Abstracts

2nd Workshop Water-Energy-Food Nexus

Public University of Navarre (Pamplona, Spain), June 2-3, 2020

The Organizing Committee of the Workshop on Water-Energy-Food Nexus, in its second edition, is inviting early career researchers and PhD students interested in disseminating and getting feedback of their research work from experts in the field, to submit their extended abstracts (unpublished or ongoing research) dealing with the subject of Water-Energy-Food Nexus. Research related to land scarcity and land footprint are also welcome.

The accepted proposals will be presented during the first day of the Workshop, June 2, 2020. A training session on the water footprint and its application to the water-energy-food nexus is planned for the same day, before the presentation of the abstracts.

An attendance and participation certificate will be issued to each participant.

Abstract Submission

All those interested in participating should send their proposal to the Organizing Committee by April 3, 2020:

- Maite M. Aldaya (maite.aldaya@unavarra.es)
- Diego Sesma-Martín (diego.sesma@unavarra.es)

Proposals should include the provisional title and an extended abstract of maximum 2 pages, clearly specifying the aim of the research, the expected contribution to the knowledge of the topic through a clear presentation of the preliminary results and conclusions, the sources and methodology used, and the bios of the authors (max. 5 lines). Tables and figures can also be included in the document.

Financial assistance

A limited amount of funding is available to cover travel and accommodation for those participants without research funds. The selected candidates, who cannot count on the financial support of their home institutions, should indicate in their proposal their need for financial assistance by the Organizing Committee for travel and accommodation.

Important dates

- Proposal submission deadline: April 3, 2020
- Acceptance notification: April 15, 2020
- Workshop Date: June 2-3, 2020
