Overview EngD programs

ENGD PROGRAM	EDUCATIONAL REQUIREMENTS	START DATES

Delft All EngD programs are taught in English

QR codes: BPE, CEE

Bioprocess Engineering (BPE)	(Bio-)chemical Engineering **|** Bioprocess Engineering **|** Environmental or Food technology, or a related specialization	Start September and February
Civil and Environmental Engineering (CEE)	MSc exact sciences	Start 1 October

Eindhoven
All EngD programs are taught in English, except for CI and QME

QR codes: ASD/MSD, CI, DS, DEES, QME, SBC, ST, HSI

Automotive Systems Design (ASD)/ **Mechatronic Systems Design** (MSD)	Automotive Technology **|** Mechanical Engineering **|** Electrical Engineering **|** Embedded Systems **|** Systems & Control, or a related specialization	Start 1 November
Clinical Informatics (CI) 🇳🇱	Technological **|** Business processes, or a related specialization	Start October
Data Science (DS) *Location Den Bosch*	Mathematics **|** Statistics **|** Computer Science **|** Industrial Engineering **|** Electrical Engineering **|** Econometrics **|** Physics **|** Bio-informatics, or a related specialization	January 15 and September 1
Design of Electrical Engineering Systems (DEES)	Electrical Engineering **|** Applied Physics **|** Biomedical Engineering **|** Computer Science or Applied Mathematics, or a related specialization	Vacancy when there is a project
Qualified Medical Engineer (QME) 🇳🇱	MSc in Engineering (or related) and preferably with clinical experience	Start 1 March
Smart Buildings & Cities (SBC)	MSc exact sciences	Vacancy when there is a project
Software Technology (ST)	Computer science, or a related specialization	Start 1 November
Designing Human-System Interaction (HSI)	MSc exact sciences	Vacancy when there is a project

Groningen All EngD programs are taught in English

QR codes: AS, SPD

Autonomous Systems (AS)	Master's degree of a relevant Masters program listed below (or related): MSc Applied Mathematics **|** MSc Applied Physics **|** MSc Industrial Engineering & Management **|** MSc Artificial Intelligence **|** MSc Computing Science **|** MSc Mechanical Engineering **|** MSc Systems & Control, or a related specialization	Start dates are listed per vacancy and usually follow academic blocks (February, April, September, November)
Sustainable Process Design (SPD)	Master graduates of Chemical Engineering or a related specialization	Start dates are listed per vacancy and usually follow academic blocks (February, April, September, November)

Twente All EngD programs are taught in English

QR codes: BIT, CE, EPT, MT, ROB

Business & IT (BIT)	Master in: Computer Science **|** Internet Science & Technology **|** Software Technology **|** Business Information Technology (BIT) **|** Industrial Engineering and Management **|** Interaction Technology, or a related specialization	Vacancy when there is a project
Civil Engineering (CE)	Master in one of the program fields	Vacancy when there is a project
Energy and Process Technology (EPT)	Mathematics **|** Statistics and Computer Science **|** Econometrics **|** Geophysics **|** Bio-informatics and Computational Chemistry, or a related specialization	Vacancy when there is a project
Maintenance (MT)	Electrical Engineering **|** Applied Physics **|** Biomedical Engineering **|** Computer Science **|** Applied Mathematics, or a related specialization	Vacancy when there is a project
Robotics (ROB)	(Bio)Medical Engineer, or a related specialization	Vacancy when there is a project

Wageningen All EngD programs are taught in English

QR code: DAES

Design for Agrifood & Ecological Systems (DAES)	A wide range of (technical) MSc graduates	Vacancy when there is a funded project available. Or apply with your own project when funding is guaranteed.

Please check the program QR for more information
For questions please send an email to sai@4tu.nl
